

MAIN SCREEN

A hand-drawn sketch of a mobile app main screen. It features a top navigation bar with a hamburger menu icon on the left and a circular profile icon on the right. The main content area contains a 3x2 grid of six square buttons, each with a diagonal 'X' inside. At the bottom, there is a horizontal bar with a circular icon on the left and a rectangular button on the right.

CLEANING SUBTASKS

A hand-drawn sketch of a mobile app screen for cleaning subtasks. It has a top navigation bar with a hamburger menu icon and a circular profile icon. The main area features a large square button with a diagonal 'X'. Below this, there are three rows of input fields, each preceded by a radio button. To the right of each row is a checkbox. At the bottom left, there is a circular button.

CLEANING PROGRESS OF BAKERY

A hand-drawn sketch of a mobile app screen showing cleaning progress. It includes a top navigation bar with a hamburger menu icon and a circular profile icon. The screen displays three horizontal progress bars. The first bar is labeled 'TODAY' and is nearly full. The second bar is labeled 'THIS WEEK' and is about halfway full. The third bar is labeled 'THIS MONTH' and is mostly empty.

CHOOSE TIME INTERVAL

A hand-drawn sketch of a mobile app screen for choosing a time interval. It has a top navigation bar with a hamburger menu icon and a circular profile icon. The main area shows a list of time intervals: '5', '10', '15', '30', and '60'. Each interval is enclosed in a box with a diagonal 'X' on the left and a horizontal line on the right. At the bottom, there is a horizontal bar with a circular icon on the left and a rectangular button on the right.

TEXT MESSAGE TO COLLEAGUES

A hand-drawn sketch of a mobile app screen for sending text messages. It features a top navigation bar with a hamburger menu icon and a circular profile icon. The main area contains a central circular button labeled 'MESSAGE'. This button is connected by lines to five smaller circular buttons arranged around it. At the bottom, there is a horizontal bar with a circular icon on the left and a rectangular button on the right.

STATISTIC OF CLEANING EVALUATION

A hand-drawn sketch of a mobile app screen for cleaning evaluation statistics. It has a top navigation bar with a hamburger menu icon and a circular profile icon. The main area displays four line graphs, each representing a different data series. At the bottom, there is a horizontal bar with a circular icon on the left and a rectangular button on the right.

HYGIENE INSPECTIONS

A hand-drawn sketch of a mobile app screen for hygiene inspections. It features a top navigation bar with a hamburger menu icon and a circular profile icon. The main area contains a table with two columns: 'DATE' and 'REPORT'. Below the table, there are two rows of input fields, each preceded by a radio button. At the bottom, there is a horizontal bar with a circular icon on the left and a rectangular button on the right.

LOGIN / SETUP

A hand-drawn sketch of a mobile app screen for login or setup. It has a top navigation bar with a hamburger menu icon and a circular profile icon. The main area features a large square button with a diagonal 'X'. Below this, there are two buttons: 'LOGIN' and 'SETUP'. At the bottom, there is a horizontal bar with a circular icon on the left and a rectangular button on the right.
